

PROGRAMMING, PEDAGOGY AND CURRICULUM FRAMEWORKS

WHAT DO THESE MEAN IN OUR PRACTICE?

*Online workshop Series coming
this winter with Dr. Beverlie Dietze*

February 6th—Session I – Play-based learning and curriculum frameworks. What's the Connection?

February 20th—Session II - How do early learning environment designs connect to curriculum frameworks, play-based curriculum and children's learning?

March 6th—Session III – Do curriculum frameworks change programming strategies?

March 20th—Session IV – How can the programming process honour children's inquiry?

April 3rd—Session V - Blocks, Art, Dramatic Play, Literacy, Math and Science. If, how, and why do they connect with curriculum frameworks?

April 17th—Session VI – How does pedagogical documentation inform programming?

Flexible attendance policy.
