

Practical Ways to Encourage Positive Behaviour in Young Children

Why Do Children Misbehave? This workshop will discuss reasons why many children may present challenging behaviors. Understanding effective guidance techniques will assist participants to reduce behavior problems in their early childhood classroom.

Facilitated by Kathy Black

Kathy has been working in the field of early childhood for over 30 years. She worked in a variety of childcare facilities prior to her role as an Early Childhood Development Officer in 2002. Kathy began facilitating curriculum workshops in 2005 and continues to enjoy connecting with early childhood educators across the province.
