Overview for Full time Educator Position

Kingstec Campus Learning Centre is seeking a motivated and experienced Early Childhood Educator to be part of our Reggio-inspired program. Our ideal candidate is dedicated to early childhood education, young children and their families. They would have knowledge and experience in emergent curriculum and an appreciation and understanding of co-learning with children in a program that emphasizes the natural environment and creative expression. We are looking for a candidate who has innovative ideas about learning through play environments and can implement these ideas in a team-environment. The successful candidate must be reliable, they must have outstanding communication and the skills to provide leadership and stability for the Centre's program continuity. Must be able to plan, supervise, implement, and maintain a developmentally appropriate program and environment for the children, which corresponds with the policies and philosophies of the Centre.

Qualifications:

- Must have Early Childhood Education **L2 Classification or L3 Classification**
- Experience supervising young children and working in a team
- Knowledge of child development and the needs of young children
- Demonstrated awareness of food allergies and health and safety practices in licensed child care
- Demonstrated ability to work in a team environment; be flexible to the needs of the children, educators and the centre as a whole
- Reliable and self-motivated, ability to build positive working relationships with children, families, students and other educators
- Satisfactory current Criminal Reference Check, including vulnerable sector as well as Child Abuse Register screening
- Up to date First Aid certification

Application Deadline: February 12, 2018

Interested applicants may apply by sending a Resume and Cover Letter to kellyann.hamshaw@nsc.ca
